The Baggage Porter should be informed the number of the Berth, and it will help if hand baggage bears a label shewing name of passenger, name of steamer and number of Berth.

Gelieve den drager van Uw bagage het nummer van Uw bed op te geven en Uw handbagage te voorzien van een label, aangevende den naam van den passagier, en van het stoomschip en het nummer van het bed.

## Kindertransport: Conversations with Dame Esther Rantzen

On National Kindertransport Day (2 December), we will be hosting an event with Dame Esther Rantzen which feature u3a members with ties to the Kindertransport.

u3a guest speakers will include Kindertransport evacuees themselves, children of 'the kinder' and those who have grown up calling these rescued children their siblings.
