Lunch group

A new lunch group has started. It meets on the second Friday of the month at lunchtime in various restaurants. If you are interested, please get in touch with the group contact – **Carol Hunt**. Click [here](#) to send a message.

Languages

There has been a lot of interest in the proposed beginner's language groups. French Beginners will be starting soon.

We still need fluent language speakers who are willing to help beginners' groups in Italian, Spanish and German.

Mah-jong

Our previous mah-jong group had to close during the lock downs. We have a member experienced in teaching and playing this game who is willing to start up as soon as conditions permit. Please let the group coordinator know if you are interested.

Games Group

One of our new members is considering the possibility of a board games group, with the TV show "Countdown" perhaps being one of the focal ideas. Please get in touch if this sort of thing would be appealing and we can put people with similar interests in contact with each other, with a view to developing the group

We have several reading groups meeting in the Holt and Fakenham areas. For those of you interested in new book group in **Cromer**, Susan Riddle is holding a meeting at the Cliftonville Hotel on Weds, 23 February, please come along at 12 noon to find out more.
